

ICS Presents: One Hour Continuing Education Webinars

ICS Webinars are one-hour online interactive CE programs. They are held live from 12:30 to 1:30pm on various "hot" chiropractic topics. Webinars are recorded and available for purchase at the same price as the live Webinars. To register, fill out the backside of this form and return it to ICS.

How Webinars Work: Once registered, you will receive a confirmation email containing call-in information and a Web site link to click on to attend the meeting. Webinars utilize the Internet and telephone so that participants can interact with each other, and the presenter, during the program. You must have Internet access to participate in the Webinars. Materials will be emailed to registrants prior to the program.

Archived Webinars: Live Webinars will be recorded and archived for purchase after the live session. If you miss the live Webinar, you will be able to access the archived recording and still receive CE credit for the recorded session. If you would like to register for a Webinar that has already been archived, simply fill out the registration form on the backside. Information on how to access the archived recording will be emailed to you. If you have additional questions regarding archived Webinars, please contact Denise Hoffman at dhoffman@iowadcs.org.

2010-2011 Webinar Schedule
